Company News

Welcome to the July 2005 edition of the McCartney.com newsletter.

([created by Martin Nethercutt](#))

Apologies, apologies "TheJungle" has taken over the company!

Sorry for the delay in this months issue of the McCartney newsletter, but we were producing our first webisode of "[TheJungle](#)". Co-Creators Pat Healy (There's Something About Mary, Me, Myself and Irene) and Martin Nethercutt (McCartney.com, iFanz.com) teamed up for this comedic webisode.

"TheJungle" created by Pat Healy and Martin Nethercutt ©2005

The story of "[The Jungle](#)" is told through the eyes of two east coast film school grads (Nick and Spencer) that move into an apartment in a small Southern California beach community called "[TheJungle](#)". In the first webisode, Nick and Spencer meet their surreal neighbors and find out that there's a treasure buried somewhere within the community.

Aahhh yes, almost forgot about the retarded ghosts who interrupt most of the phone service in "[TheJungle](#)". The Hotline to Hollywood has cracks. Actors never get their "call backs".

(*"You can check out any time you like, but you can never leave."* Hotel California The Eagles.)

It's where Twin Peaks meets South Park - at the Beach.

It's where unemployed actors mingle with B-Movie producers, Ex-Porn Stars and retarded ghosts.

It's just *NOT* the OC.

JAKUES LAZIER FINISHES 16th IN THE 89TH INDIANAPOLIS 500-MILE RACE
FOR NEW IRL INDYCAR SERIES ENTRANT PLAYA DEL RACING

Lazier advanced from the 27th position to 13th within the first 40 laps, aided by a near-perfect pit stop by his veteran crew. That performance in the pits, which repeated itself throughout the afternoon, combined with the heavy right foot of Lazier and luck needing pit stops just as two separate cautions came out, put Lazier solidly on target for a top-10 finish on the lead lap. His Toyota powerplant ran strong and smooth all day, positioning him to be the top-finishing Toyota-powered team on the track if the day progressed as well as it started. However, about 50 laps from the end of the race, while running 9th, Lazier slowed to avoid an accident ahead of him, and rookie Jeff Bucknum ended up running over the right rear tire of Lazier, damaging a suspension piece. Lazier spent about 10 laps in the pits as the team repaired the damaged part, and then he resumed the race, eventually finishing in 16th-place. (visit www.playadelracing.com for more information)

Event Wrap Up

The John and Manuela Diethelm Wedding at San Bernardo Creek Ranch in San Luis Obispo.

Long time friend, client and colleague of

McCartney, **John Diethelm** of Millenium Marketing and his lovely Swiss bride **Manuela** were married amid flowers, horses, friends and family on a GORGEOUS central coast day - May 15th. The band played all night, the drinks flowed and the doves circled overhead. Of course, a few of JD's [Los Angeles Rugby](#) mates were on hand to make sure we all kept our fluids up in the heat - thanks JD and Manuela and we wish you all the best.

Ruth and Martin spent the weekend at the lovely Inn at Morro Bay - a [King Ventures Boutique Hotel](#) - next time you find yourself in the area, make sure to check out their amazing view of the Morro Bay Rock from the restaurant.

Joke of the Month

A pastor, a doctor and an engineer were waiting one morning for a particularly slow group of golfers. The engineer fumed, "What's with these guys? We must have been waiting for 15 minutes!"

The doctor chimed in, "I don't know, but I've never seen such ineptitude!"

The pastor said, "Hey, here comes the greens keeper. Let's have a word with him."

"Hi George. Say, what's with that group ahead of us? They're rather slow, aren't they?"

The greenskeeper replied, "Oh, yes, that's a group of blind firefighters. They lost their sight saving our clubhouse from a fire last year, so we always let them play for free anytime."

The group was silent for a moment.

The pastor said, "That's so sad. I think I will say a special prayer for them tonight."

The doctor said, "Good idea. And I'm going to contact my Ophthalmologist buddy and see if there's anything he can do for them."

The engineer said, "Why can't these guys play at night?"
